

IT'S NOT MY FAULT...

that I'm so... Cute...

and that I had a bladder problem on our carpet...
and it's also not my fault if you missed... the SaniTECH Sale...

...Sooo...Ken Bentkowski, aka King of Clean has extended the offer until November 11th...just so you'll remember this time (and remember to let me out in time!) ...so you too can have barefoot-worthy-wiggle-your-toes-in SaniTECH-clean-carpets, upholstery or area rugs. You'd better Scotchguard them...just in case. Accidents happen! Pet odor location and deodorization are available.

Fall and Winter are still the BEST TIMES to clean carpets for FAST DRYING! Crank up the heat, crack the windows a bit and you have the WORLD'S LARGEST dehumidifier. NO SOGGY WET MESS for your carpets! (We also leave Full Service Package clients with an air mover to speed dry those freshly PROTECTED carpets.)
